

[2019 Activity Report No.2]

Ready! Opening soon!! - Part of Tanay -

Hello.

I'm Nikka, a local staff member in the Philippines.

We went to the final check of the store on July 20, 2019, because we were contacted the renovation of the store of "The road is still far, continuing - Part of Tanay -" that I reported last time was completed successfully.

This time, I went with the director, Mr. Higuchi and Mr. Hasegawa. Mr. Hasegawa also checked and taught how to cook the menu dishes and taste.

Looking over in the store, it was much cleaner than last time.

Outside signboards are also installed, and the store is ready to open.

I hope many customers will come to store. I can't wait to open August 1.

A corner signboard outside the store.

The motif is Daruma, next to that is the FAITH logo.
